 - "Attachment 3" has been changed to read "Attachment 5" in paragraphs (a) and (b).
 - Paragraph (d) has been changed to read:
"The following labor categories are designated as key personnel, with a list of individuals provided in Attachment 6 of this contract:

KEY POSITIONS
Program Manager
Project Manager
Professional Labor (Mid - Sr Level)
Construction Supervisor"
3. Section J: The following Attachments have been added:
Attachment 4 - Indirect Rate Spreadsheet
Attachment 5 - Labor Category Qualifications
Attachment 6 - Key Personnel
4. Section L, Table 2.2 Proposal Organization: Under Volume IV Cost/Price, the sixth row has been changed to read:
"DBA/SCA Wrap Rates, Indirect Rates, and FFP Profit Rate Spreadsheet: Spreadsheet on ECOS website, sample at Attachment L-9 (one per prime and each Teaming Partner)"
5. Section L, Paragraph 3.8.2(a): Has been changed to read:
"The following is a list of attachments or exhibits, which will be made part of each ECOS Contract upon award.
(1) Attachment 1: Statement of Work
(2) Exhibits A,B,C: CDRLs"
6. Section L, Paragraph 6(d): Has been changed to read:
"DBA/SCA Wrap Rates, Indirect Rates, and FFP Profit Rate (Attachment L-9)"
7. Section L, Paragraph 6.3(a): Has been changed to read:
"The cost information for this source selection is limited to the prime contractor's and all Teaming Partners fully burdened Firm-Fixed-Price (FFP) and Time & Materials (T&M) hourly labor rates, wrap rates for Davis Bacon (DBA) and Service Contract Act (SCA) labor, indirect rates applicable to costs other than labor, and the profit rate applicable to subcontracts and other direct costs on Firm-Fixed-Price task orders."
8. Section L, Paragraph 6.3(c): Has been changed to read:
"Provide the indirect rates to be applied to subcontractors and other direct costs (ODCs), per the Offeror's normal accounting practices. Time and Material task orders only receive profit on the fully burdened labor rates."
9. Section L, Paragraph 6.3(d)(9): Has been changed to read:
"Contractors are to provide the fully burdened hourly labor rates, the indirect rates, the DBA/SCA wrap rates, and the profit rate applicable to subcontracts and other direct costs (Firm-Fixed Price task orders only) in the Microsoft Excel spreadsheet provided on the ECOS website."

SCHEDULE OF CHANGES

10. Attachment L-9:

- Site Superintendent labor category has been replaced with Construction Supervisor labor category in both FFP and T&M Labor Rate spreadsheets.
- The Indirect Rates Spreadsheet has been modified to include a block in which a *single profit rate* to be applied to subcontracts and ODCs on Firm-Fixed Price task orders must be entered.

11. Section M, Paragraph 2.3(c): A sentence has been added that reads:

"The proposed profit rate applicable to Subcontracts and Other Direct Costs on Firm-Fixed Price task orders to establish the profit amount will be input into the model."

12. Section M, Paragraph 2.3(d): Has been changed to read:

"All individual labor category prices, indirect costs, DBA/SCA costs, and profit amount applicable to Subcontracts and Other Direct Costs will then be totaled to arrive at a total evaluated price for each Offeror."

13. Section M, Paragraph 2.3(g) Table: Has been modified to include Profit on FFP Subcontractor costs and ODCs.

The following CLARIFICATIONS are made to the Final RFP dated 22 Oct 03:

1. Past Performance Questionnaires (PPQs) will be accepted and evaluated up until the time the Performance Risk Assessment Group (PRAG) deems past performance evaluations are complete.
